

WEEKLY PRACTICE CHART

Name: _____

Lesson Date: _____

	1	2	3	4	5	6	7
LISTENING: <i>Daily listening is the most important part of practice. If you don't have time for anything else, fit in some listening! Listen in the car, while dinner is cooking, while bathing, while falling asleep, etc.</i>							
REVIEW: <i>Review two pieces daily. If you only have a short amount of time to practice with your violin, start with review! Review is always more important than learning new pieces and technique!</i>
